

Big Dogs Baseball 2022-2023

Registration - bigdogsbaseball.com

Accelerated Development Program

Program Summary

This program was carefully designed to provide the most complete player development opportunity available to local players. It is an immersive baseball experience that will help passionate players improve every aspect of their game and gain competitive experience to prepare them for a successful future on the field.

Big Dogs Baseball also supports your player's success off the field through mentorship, leadership training, and instilling powerful values like work-ethic, personal responsibility, and teamwork. Best of all, it has been organized to respect family time and provide appropriate rest periods for young athletes. No more sacrificing holidays or over-working your kids! The only holiday we impact is MLK weekend, and breaks are carefully scheduled to provide proper recovery time for players.

Coaches Include:

Tad Finnie, Michel Rodriguez, Roberto Castillo, Bill Ryan, Chris Blyskal, Mateo Okimoto
